

Best Cure Foundation, a Non-Profit NGO, Announces the Establishment of a New Division, "Be the Best You Can Be"

WASHINGTON, DC, USA, May 3, 2024 /EINPresswire.com/ -- The [Best Cure Foundation](#) (BCF), established by Dr. [Krishnan Suthanthiran](#) in 2007, is pleased to announce the launch of its new division called "Be The Best You Can Be". This division aims to promote, engage, and encourage individuals to reach their full potential and be the best version of themselves.

Several years ago, the former First Lady Melania Trump promoted the idea of "Be Best." She encouraged her son to be his best and enjoy every moment of his life. However, neither former President Trump nor the White House

team promoted this idea. Also, the slogan needed to be expanded to "Be The Best You Can Be." It is unfortunate that neither the media, former President Trump, nor his team made an effort to promote the former First Lady's noble goals.

Athletes such as LeBron James, Kobe Bryant, Steph Curry have authored motivational books and posters to encourage individuals to take pride in themselves and strive to be the best they can be.

Dr. Suthanthiran would like to express his gratitude to former First Lady Melania Trump for her commendable goal of inspiring everyone to reach their full potential. BCF has now expanded the statement to be more clear—"Be The Best You Can Be."

It's important that we share this noble message with everyone we meet, as each of us has unique talents and abilities that can be utilized to achieve greatness in our respective fields. Let's strive to be the best versions of ourselves and encourage others to do the same.
